

NORP12 LDR

cadmium sulphide light dependent resistor with clear end window

peak spectral response	530nm
cell resistance:	
at 10 lux	9k Ω
at 1000 lux	400 Ω
dark resistance (minimum)	1M Ω
maximum voltage DC or AC peak	320V
maximum dissipation at 25 degrees C	250mW
typical resistance rise time	18ms
typical resistance fall time	120ms
